

Cover Letter for September Minutes

Please find attached the September minutes. Our apologies for the delay in getting them out but the regional meetings have taken up a considerable amount of our time since our September meeting.

You will notice that the original decision regarding the Chapter Planning Committee has been kept in the minutes as a record of that particular meeting. There has been a change and the delegates will now not only initiate the reflection on a possible structure regarding reconfiguration but also be responsible for the overall planning of the July 2011 chapter. This committee had its first meeting to begin some initial planning and will begin some reflection in the Province at some point in November.

Blessings,
Jackie
